

CPAN 134 Project POC

Milestone 1: Due date: Sunday October 23rd, 11:59 PM

Weight: 10%

You will be submitting your project work so far.

At this point you should have a clear idea of the theme of your web site and the structure of your web site.

Ensure that you include all images/css files...etc and all pages in a zip file

Please keep in mind that while the main theme of the project is to build an academic portfolio, you have the freedom to choose the website format you wish to have in order to build up the size of your web site.
